Creative Ideas for Catechists Jun 01 2021 Rost takes us into the delightful dimension of creative catechetics, with its powerful impact on children's faith-learning. She first leads us in an exploration of our own creativity, our sense of prayer, and our own sense of discipleship. She then suggests ways to enliven the gathering space, using the children's five senses to help open them to these rich faith experiences. She offers approaches to the critical factors in preparation, presentation and procedure that make for successful empowerment of the child's faith learning. She also includes scores of practical ideas for involving primary and middle-grade children in making prayer, O helping them express their unity with God through prayer. Finally, she discusses the many resources essential to our own spiritual formation, which must go hand-in-hand with that of unfolding a vibrant faith life in children. An excellent resource to inspire, encourage and sensibly guide catechetical ministry as it is meant to be: joy-filled, revitalizing and life-impacting.

**Puppets Provide Laughs and Lessons From the Bible** Jan 08 2022 Puppets are a tremendous tool for teaching since, most of the time, kids-and adults-do not realize they are being taught; the thought usually is, "this is great entertainment!" And if you can teach and entertain at the same time, what a great combination! Also, we have all seen puppets made up with special clothing, special hats, and special make-up just as actors wear to portray the characters they represent. And in retrospect, I have used and seen others use all kinds of different settings used for puppet stages. With a little imagination, any situation, any place, can be used as a background and a stage. I have used make-shift stages like: doorways with a blanket across the lower 3-4 feet, a dining room table turned over on its side, a dining room table with a blanket across the front, big boxes individually and big boxes set side by side, a blanket tied between two chairs, and even an "empty" permanent baptismal tank with the puppeteers standing where the water was supposed to be. I have found that "it's not the stage, it's the puppets that attract the people and teach the lessons."

**Performing Faith** Oct 13 2019 This book is a study of music inculturation in Indonesia. It shows

how religious expression can be made relevant in an indigenous context and how grassroots Christianity is being realized by means of music. Through the discussion of indigenous expressions of Christianity, the book presents multiple ways in which Indonesians reiterate their identity through music by creatively forging Christian and indigenous elements. This study moves beyond the discussion (and charge) of syncretism, showing that the inclusion of local cultural manifestations is an answer to creating a truly indigenous Christian expression. Marzanna Poplawska, while telling the story of Indonesian Christians and the multiple ways in which they live Christianity through music, emphasizes the creative energy and agency of local people. In their practices she finds optimism for the continuing existence of many traditional genres and styles. Indonesian Christians perform their Christian faith through music, dance, and theater, generating innovative cultural products that enrich the global Christian heritage. The book is addressed to a broad spectrum of readers: scholars from a variety of disciplines - music, religion, anthropology, especially those interested in interactions between Christianity and indigenous cultures; general music lovers and World Music enthusiasts eager to discover musics outside of European realm; as well as Christian believers, church musicians, and choir directors curious to learn about Christian music beyond Euro-American context. Students of religion, sacred music, (ethno)musicology, theater, and dance will also benefit from learning about a variety of indigenous arts employed in Christian churches in Indonesia.

**Instant Puppet Skits** Jan 16 2020 Use 20 Stories From People Who Met Jesus to enliven favorite Bible stories and to introduce children to puppeteering! Lead kids to discover more about Jesus from the people who knew him best--those he met...like one of the shepherds, Zacchaeus, a Roman soldier, and more! You will get: 2 compact discs with audio for each script. You and your puppeteer friends don't have to worry about digging up sound effects or reading the lines as you perform. It's already done for you! Scripture reference in Table of Contents, Directions for creating a stage, Simple Bible costumes for puppets, Reproducible patterns for props, Reproducible scripts with staging instructions, And a Puppet Primer with tips for powerful and imaginative productions. The twenty scripts you'll find in *Instant Puppet Skits* have something in common: each features a Bible character who met Jesus and shares a personal insight. John the Baptist tells his would-be, disgusted director that he is not the star attraction, that his purpose was to prepare people to follow Jesus, and while Lazarus tries to collect a refund on his burial, he explains eternal life for those who believe. And you'll find that the scripts have other things in common too: Scripts have no more than four puppets on stage at any one time, and you can re-use the same four "actors" with different costumes to limit the costs of the puppets! Four or less puppets per script makes it easy for you to recruit enough puppeteers! Yet the audience is involved. In "Fish and Loaves", the audience acts the part of the crowd, each of them stuffed with food. After each script you'll find group discussion points in the "For Deeper Learning" section.

The previous pastor has died and there is a shortage of clergy at the moment, so until another can be spared, the young priest must say all of the masses himself. Mass is not Father Gaetano's only responsibility, however. The war has created many orphans, and thus the San Domenico rectory has been converted into an orphanage which is also his domain. The children are a joy to him, but they have lost so much, and many have begun to question their faith and their God, and his attempts to teach them catechism are in vain . . . until he finds an old puppet theatre and an ornate box of puppets in the basement. Handcrafted by the building's former caretaker, now absent, the puppets seem the perfect tool to get the children to pay attention to their lessons. But after dark the puppets emerge from that ornate box, without their strings. While the children have been questioning their faith, the puppets believe Father Gaetano's Bible stories completely. But there is such a thing as too much faith. And the children's lives will never be the same again.
