USA TODAY, PUBLISHERS WEEKLY AND ECPA BESTSELLER • The internationally recognized Bible teacher and daughter of Billy Graham combines unique biblical insights and her own personal stories to show how the Holy Spirit guides us in our decisions, comforts us in pain, and stays by our side at all times, enriching our daily lives. In *Jesus in Me*, Anne Graham Lotz draws on her rich biblical knowledge as well as her personal journey—including her recent cancer diagnosis—to help us understand that the Holy Spirit is not a magic genie, a flame of fire, or a vague feeling. He is a Person who prays for us, guides us in our relationships and decisions, comforts us in pain, and stays by our side at all times. In this seminal teaching, she explores seven key aspects of the Holy Spirit that will revolutionize how you understand and relate to this vital third Person in the Trinity. As Anne writes, “One of my deepest, richest joys has been discovering by experience who the Holy Spirit is in every step of my life’s journey. Each name that He has been given—Helper, Comforter, Advocate, Intercessor, Counselor, Strengtheners, and Standby—reveals another aspect of His beautiful character and has provoked in me a deep love for the One who is my constant Companion . . . Jesus in me.” Discover how to better love and rely on the person of the Holy Spirit—and embrace how much He loves you through His presence, power, and provision in our daily lives. Praise for *Jesus in Me* “With plentiful biblical references, Lotz encourages those who already rely on Jesus to step into a purpose-filled life led by the Holy’s Spirit’s guidance. Christians who desire to live a life of greater purpose to glorify God will be awed by Lotz’s impassioned exploration of the role of the Holy Spirit in her life.”—Publishers Weekly Maps can show you where you are anywhere in the world! A beloved bestseller that helps children discover

their place on the planet, now refreshed with new art from Qin Leng. Where are you? Where is your room? Where is your home? Where is your town? This playful introduction to maps shows children how easy it is to find where they live and how they fit in to the larger world. Filled with fun and adorable new illustrations by Qin Leng, this repackaged *Me on the Map* will show readers how easy it is to find the places they know and love with help from a map. These days, it seems that everyone has a strong opinion about how to teach young children to read. Some may brush off the current tension as nothing more than one more round of "the reading wars." Others may avoid the clash altogether due to the uncivilized discourse that sometimes results. Certainly, sorting the signal from the noise is no easy task. In this leading-edge book, authors Jan Burkins and Kari Yates address this tension as a critical opportunity to look closely at the research, reevaluate current practices, and embrace new possibilities for an even stronger enactment of balanced literacy. From phonological processing to brain research to orthographic mapping to self-teaching hypothesis, *Shifting the Balance* cuts through the rhetoric (and the sciencey science) to offer readers a practical guide to decision-making about beginning reading instruction. The authors honor the balanced literacy perspective while highlighting common practices to reconsider and revise--all through a lens of what's best for the students sitting in front of us. Across six shifts, each chapter identifies a common instructional practice to reconsider, explores various misunderstandings that establish and keep that practice in play, shares scientific research to support its reconsideration, proposes an instructional shift to apply a new perspective, and details several high-leverage instructional routines to support implementation of that shift. By pinpointing gaps and overlaps--as well as common misunderstandings and missed opportunities between the competing lines of thought--Jan and Kari offer busy educators direction and clarification for integrating science and balance into their daily instruction, while keeping meaningful experiences with text a priority. What does it look like to live with joy in a society that does not like what Christians believe, say or do? It's tempting to grow angry, keep our heads down, retreat or just give up altogether. But this isn't the first time that God's people have had to learn how to live in a pagan world that opposes God's rule. In this realistic yet positive book, renowned Bible teacher Alistair Begg examines the first seven chapters of Daniel to show us how to live bravely, confidently and obediently in an increasingly secular society. Readers will see that God is powerful and God is sovereign, and even in the face of circumstances that appear to be prevailing against his people, we may trust him entirely. We can be as brave as Daniel if we have faith in Daniel's God! "The message of Daniel is incredibly relevant for us in our generation. Not because it maps out a strategy for how to deal with our new lack of status ... or because Daniel was a great man and we need to follow his example. The reason is that it will help us to believe in Daniel's God." Alistair Begg, author. Bestselling author Pastor Rob Morgan provides ten Bible-based laws for productive people by answering the question: How do I gain control over my life right now? A lifelong student of the Bible, Rob Morgan has spent forty years reading thousands of pages about maximizing each day and becoming purposeful and productive. Now he has found a simple plan that works—featuring ten biblical principles that transcend human wisdom. These life patterns can be implemented today whether you're a student or a senior adult, a novice or an executive. They can help anyone, anytime, anywhere develop a perpetually effective life. 1. Listen to a twelve-year-old: Jesus' first statement was: Be about your Father's

business. 2. Redeem the time: Wasted hours can never be regained. 3. Clear the decks: God isn't disorganized; why should we be? 4. Maximize the morning: Schedule a standing appointment with God. 5. Pull off at rest stops: Routinely replenish your inner resources. 6. Operate on yourself: Diagnose and treat yourself spiritually. 7. Live "As If": Act by faith even when your emotions aren't cooperating. 8. Bathe in the Dead Sea: Experience the buoyancy of biblical joy. 9. Practice the power of plodding: Effectively complete major tasks by persistently working in small increments. 10. Remember there are two of you: It's Christ in you Who's achieving significance. Based on actual Scriptures, this simple, hope-filled plan for mastering life before it's too late will put you on the path toward a lifetime of success.
