In 2002, the world changes forever. Every man, every boy, every mammal with a Y chromosome everywhere on Earth suddenly collapses and dies. With the loss of nearly half the planet's population, the gears of society grind to a halt, and a world of women are left to pick up the pieces and try to keep civilization from collapsing entirely. The "gendercide," however, is not absolutely complete. For some unknown reason, one young man named Yorick Brown and his pet male monkey, Ampersand, are spared. Overnight, this anonymous twenty-something becomes the most important person on the planet—the key, it is hoped, to unlocking the secret of the mysterious sex-specific plague. For Yorick himself, the most important person on the planet has been agonizingly out of reach. The more I thought about it, the more I realised my career has been unusual. How did I manage to do everything wrong but still end up on the front cover of magazines, headlining world tours and achieving Top 5 albums? tremendously frustrating? Even this I somehow cultivated without somehow meaning to. My accidental career. Limited Edition of One is unlike any other music book you will ever have read. Doing well with money isn't necessarily about what you know. It's about how you behave. And behavior is hard to teach, even to really smart people. Money—investing, personal finance, and business decisions—is typically taught as a math-based field, where data and formulas tell us exactly what to do. But in the real world people don't make financial decisions on a spreadsheet. They make them at the dinner table, or in a meeting room, where personal history, your own unique view of the world, ego, pride, marketing, and odd incentives are scrambled together. In *The Psychology of Money*, award-winning author Morgan Housel shares 19 short stories exploring the strange ways people think about money and teaches you how to make better sense of one of life's most important topics. This edition collects the complete run of *THE SWORD* in an oversized hardcover and slipcase format. Experience the epic story about a young woman who finds a mysteriously powerful sword that allows her to seek revenge on the three elemental gods who brutally murdered her family. Contains all covers, including rare versions from extra printings. Signed and numbered edition includes an exclusive print and is limited to 200 copies. **LIMITED TO INITIAL ORDERS. THIS EDITION WILL NEVER BE PRINTED AGAIN!** Collects *THE SWORD* #1-24 A new collection of delightfully macabre tales from a master of horror manga. Bearer of a gigantic sword, an iron hand, and the scars of countless battles and tortures, his flesh is also indelibly marked with The Brand, an unholy symbol that draws the forces of darkness to him and dooms him as their sacrifice. But Guts won't take his fate lying down; he'll cut a crimson swath of carnage through the ranks of the damned - and anyone else foolish enough to oppose him!
