Becoming rich or, better yet, wealthy requires a certain mind-set. Becoming wealthy is fairly straight forward—theoretically. In practice, there are hurdles that most of us don't even see. These are the barriers to entry that allow many in society to claim that opportunity exists for all of us—but in reality are closed to most of us. The first thing in overcoming these barriers is to be able to learn how to see the barriers. Once you learn to see, you will be able to overcome. This book sets out in short stories and narratives the secrets to developing the mind-set of the wealthy. It will provide you with the tried and tested truths behind accumulating riches and wealth. This introduction examines the fundamentals of delivering voice over internet protocol (VoIP) service while exploring its potential in the communications market. It analyzes this trend in-depth, addressing the underlying challenges and benefits and bringing readers up to date on the evolution of VoIP service.
